GliSODin Skin Nutrients

PROFESSIONAL NUTRICOSMETICS

GliSODin® The AntiOxidant Enzyme

- May help to reduce damage due to free radical activity.
- May help to protect against damage caused by oxidative stress.
- May help raise antioxidant defense levels and boost immune health.
- May help to reduce inflammation
- Take 2 capsules daily

Advanced Skin Brightening Formula

- Soothes and clarifies, reduces hyperpigmentation and helps to protect the skin from photodamage. Ideal for oily, acne-prone skin.
- Go-to product for patients under 35 years.
- Pair with laser skin resurfacing technologies, pigmentation topicals, and peels.
- Take 3 capsules per day. **Begin 0-30 days** prior to laser treatment and **continue for 60 days** post treatment.

Advanced Anti-aging Formula

- Hydrates the skin, improves skin elasticity and reduces the appearance of lines and wrinkles.
- Improves skin conditions such as rosacea, eczema and psoriasis.
- Ideal for dry skin.
- Go-to product for patients over 35 years.
- Pair with anti-aging topicals, and all facial and body procedures to maintain long-term results and general skin health.
- Take 3 capsules per day on an ongoing basis post procedure.

Advanced Diuretic Formula

- Clears eliminative pathways and reduces swelling and water retention caused by aesthetic treatments.
- Pair with injectables and body contouring treatments.
- Take 2 capsules in the morning and 2 capsules in the evening, daily, for 15 days.
- Begin regimen post aesthetic treatment. Repeat if necessary.
- 15-day treatment can be used monthly, but should not be used for longer than 3 months consecutively.
